Ratfked** David Daley, 2016-06-07 The explosive account of how Republican legislators and political operatives fundamentally rigged our American democracy through redistricting With Barack Obama s historic election in 2008 pundits proclaimed the Republicans as dead as the Whigs of yesteryear Yet even as Democrats swooned a small cadre of Republican operatives including Karl Rove Ed Gillespie and Chris Jankowski began plotting their comeback with a simple yet ingenious plan These men had devised a way to take a tradition of dirty tricks known to political insiders as ratf king to a whole new unprecedented level Flooding state races with

a gold rush of dark money made possible by Citizens United the Republicans reshaped state legislatures where the power to redistrict is held

Reconstructing this never told before story David Daley examines the far reaching effects of this so called REDMAP program which has radically altered America s electoral map and created a firewall in the House insulating the party and its wealthy donors from popular democracy Ratf ked pulls back the curtain on one of the greatest heists in American political history Give Us the Ballot Ari Berman,2015-08-04 A National Book Critics Circle Award Finalist Nonfiction A New York Times Notable Book of 2015 A Washington Post Notable Nonfiction Book of 2015 A Boston Globe Best Book of 2015 A Kirkus Reviews Best Nonfiction Book of 2015 An NPR Best Book of 2015 Countless books have been written about the civil rights movement but far less attention has been paid to what happened after the dramatic passage of the Voting Rights Act VRA in 1965 and the turbulent forces it unleashed Give Us the Ballot tells this story for the first time In this groundbreaking narrative history Ari Berman charts both the transformation of American democracy under the VRA and the counterrevolution that has sought to limit voting rights from 1965 to the present day The act enfranchised millions of Americans and is widely regarded as the crowning achievement of the civil rights movement And yet fifty years later we are still fighting heated battles over race representation and political power with lawmakers devising new strategies to keep minorities out of the voting booth and with the Supreme Court declaring a key part of the Voting Rights Act unconstitutional Berman brings the struggle over voting rights to life through meticulous archival research in depth interviews with major figures in the debate and incisive on the ground reporting In vivid prose he takes the reader from the demonstrations of the civil rights era to the halls of Congress to the chambers of the Supreme Court At this important moment in history Give Us the Ballot provides new insight into one of the most vital political and civil rights issues of our time **The Fight to Vote** Michael Waldman,2022-01-18 On cover the word right has an x drawn over the letter r with the letter f above it *The Voting Rights Act of 1965* United States Commission on Civil Rights,1965 **A Pamphlet Containing a Copy of All Measures "referred to the People by the Legislative Assembly,"** Oregon. his mother struggled profoundly with the demands of their new middle class life and were never able to fully escape the legacy of abuse alcoholism poverty and trauma so characteristic of their part of America Vance piercingly shows how he himself still carries around the demons of their chaotic family history A deeply moving memoir with its share of humor and vividly colorful figures Hillbilly Elegy is the story of how upward mobility really feels And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country The Values Campaign? John C. Green, Mark J. Rozell, Clyde Wilcox, 2006-08-17 The Christian Right never ceases to surprise professional observers of American politics With the Christian coalition in disarray many expected that the movement would play less of a role in the 2004 elections But when exit polls reported that moral values were the most commonly cited reason for presidential vote choice pundits immediately proclaimed the importance of the values vote Yet the role of the Christian Right of statewide referenda on same sex marriage and of religious mobilization remained the subject of debate The Values Campaign The Christian Right and the 2004 Elections reaches well beyond the instant analyses of the post election period to provide an assessment of the role of the religious right in 2004 The contributors to this volume are among the leading scholars of religion and politics in the United States and many have contributed for over a decade to ongoing discussions of the role played by the religious right in national elections The authors consider national mobilization and issues and also explore the role of the Christian Right in specific states Their evaluations contend that the values campaign was not an aberration but a consistent pattern of national politics and that moral traditionalism will likely continue to be a significant factor in future elections A timely study of the 2004 elections this volume will appeal to scholars and observers of electoral politics state politics and religion and politics Abortion Jessica Valenti, 2024-10-01 NEW YORK TIMES BESTSELLER In a stirring and succinct examination of post Roe America one of the most successful and visible feminists of her generation Washington Post takes on what's become the country's most resonant political issue In her most urgent book yet New York Times bestselling author Jessica Valenti shines a light on the conservative assault on women's freedom cutting through the misinformation and overwhelm to inform engage and enrage From the attacks Americans know about to the ones anti abortion lawmakers and groups are trying to hide Valenti details the tactics and horrors that she's been painstakingly tracking in her acclaimed newsletter Abortion Every Day Abortion gives voice to women's frustration and outrage in a moment when they're fed up with being talked over and diminished And in an election year when abortion is dominating the national conversation Valenti provides the language facts and context readers need to feel confident when talking about the attacks on their bodies and freedom Abortion is a handbook for the overwhelming majority of Americans who support abortion rights whether they're seasoned activists or those just starting to learn With the wit expertise and blunt moral clarity that's made her writing popular for decades Valenti offers an essential manifesto in an urgent moment *The People's Choice* Paul Felix Lazarsfeld, Bernard Berelson, Hazel Gaudet, 1952
