Nightly Business Report Presents Lasting Leadership: What You Can Learn from the Top 25 Business People of Our Times Mukul Pandya, 2004 Financial Markets and Financial Crises R. Glenn Hubbard, National Bureau of Economic Research, 1991-08-13 Warnings of the threat of an impending financial crisis are not new but do we really know what constitutes an actual episode of crisis and how once begun it can be prevented from escalating into a full blown economic collapse Using both historical and contemporary episodes of breakdowns in financial trade contributors to this volume draw insights from theory and empirical data from the experience of closed and open economies worldwide and from detailed case

studies They explore the susceptibility of American corporations to economic downturns the origins of banking panics and the behavior of financial markets during periods of crisis Sever papers specifically address the current thrift crisis including a detailed analysis of the over 500 FSLIC insured thrifts in the southeast and seriously challenge the value of recent measures aimed at preventing future collapse in that industry Government economists and policy makers scholars of industry and banking and many in the business community will find these timely papers an invaluable reference The Little Book of Big Profits from Small Stocks, + Website Hilary Kramer,2011-10-13 The key to building wealth the low priced stock way Low priced gems or what author Hilary Kramer calls breakout stocks come in all kinds of shapes and sizes but they all have three things in common 1 they are mostly under 10 2 they are undervalued and 3 they have specific catalysts in the near future that put them on the threshold of breaking out to much higher prices In The Little Book of Big Profits from Small Stocks small stock expert Hilary Kramer looks for stocks with fifty to two hundred percent upside potential From drug stocks that may have been punished because an FDA approval failed to materialize when Wall Street expected it to to the overly zealous selling off of Ford there are many great low priced stock opportunities In this Little Book you ll learn How to identify the low cost stocks that have the potential to yield big profits The most important secret to making money in stock investing Plus you ll gain instant access to a website with educational videos interactive tools and stock recommendations The Little Book of Big Profits from Small Stocks explains Kramer s methodology and gives you the ability to analyze the opportunities to pick your own winners **The Rise of the Working-Class Shareholder** David Webber,2018-04-02 When Steven Burd CEO of the supermarket chain Safeway cut wages and benefits starting a five month strike by 59 000 unionized workers he was confident he would win But where traditional labor action failed a novel approach was more successful With the aid of the California Public Employees Retirement System a 300 billion pension fund workers led a shareholder revolt that unseated three of Burd s boardroom allies In The Rise of the Working Class Shareholder Labor s Last Best Weapon David Webber uses cases such as Safeway s to shine a light on labor s most potent remaining weapon its multitrillion dollar pension funds Outmaneuvered at the bargaining table and under constant assault in Washington state houses and the courts worker organizations are beginning to exercise muscle through markets Shareholder activism has been used to divest from anti labor companies gun makers and tobacco diversify corporate boards support Occupy Wall Street force global warming onto the corporate agenda create jobs and challenge outlandish CEO pay Webber argues that workers have found in labor s capital a potent strategy against their exploiters He explains the tactic s surmountable difficulties even as he cautions that corporate interests are already working to deny labor s access to this powerful and underused tool The Rise of the Working Class Shareholder is a rare good news story for American workers an opportunity hiding in plain sight Combining legal rigor with inspiring narratives of labor victory Webber shows how workers can wield their own capital to reclaim their strength
